GhostRider200x1@yahoo.com
12:06 AM And reiterated in McCain's comments section my offer to dish the dirt on you.
12:09 AM **me**: lol ah-so
did you see
that McCain
actually went to ask a friend of Olasky whether it was him or not?
Caleb: That was my favorite part.
12:10 AM Also, I never actually said I was *the* Marvin Olasky.
12:11 AM Way I see it, he trolled himself.
"It's not going to get any better for them, either, as things continue to deteriorate. Better man up, you little bitches. Forget the Tea Party...it's the Pitchfork Party what's coming up next. "
12:13 AM "Well I guess I'd be quaking in my boots!! NOT"

5 minutes

12:18 AM **me**: where does it say that?
12:19 AM **Caleb**: The comments.
Not McCain.
Unfortunately.
